

Troop 708 Board of Review Process

To request a Board of Review meeting please follow these steps:

1. Complete the requirements for rank. Requirements may only be done by designated Scouts, who have been pre-authorized by the Scoutmaster to sign off on requirements.
2. Review the requirements for the rank.
3. Request a Scoutmaster Conference. While this does not technically have to occur after all rank requirements are completed, we strongly encourage this.
4. Request a Board of Review by contacting the Board of Review Chair.
5. On the day of the Board of Review do the following:
 - Dress in Class A uniform
 - Bring Scout Handbook
 - Bring a note from the Scoutmaster that you are ready for a Board of Review
 - Be prepared to discuss and interact with the Board
6. Board will assess if you are ready to advance and, if so, will sign the Scout Handbook

Board of Reviews can be scheduled on the 2nd and 4th Troop meeting of each month, unless special arrangements are made.
